#### **Job Fair Success**

In response to the recent lay-offs in our region, a Job Fair was held on March 18, 2009 at NSCC Kingstec. The purpose of the job fair was to match employers with available job openings with employees seeking employment. Seventeen employers were present and approximately 500 people were in attendance. Responses from employers and employees were positive.

In addition, information sessions were held in the morning, focusing on topics ranging from financial support, academic upgrading and training opportunities. Each of the information sessions were well attended.

Funding for the event was made available by Nova Scotia Labour and Workforce Development and Nova Scotia Economic and Rural Development.

For more information about the event, please contact Colby Clarke, Development Officer, by phone at 678-2298 or via e-mail at [colby@kingsced.ns.ca](mailto:colby@kingsced.ns.ca).
