Supplier Development Reverse Trade Show

Nova Scotia Economic and Rural Development Supplier Development Program and the Kings Regional Development Agency are hosting a Reverse Trade Show – a twist of the traditional trade show. At this show, business vendors get to visit government display booths to discuss their potential sale of products or services. As part of the provincial Supplier Development program, procurement staff from provincial, federal and municipal governments will be on hand. You can introduce your products or services to them.

The Reverse Trade Show will take place on Tuesday, February 16, 2010 from 1:00 p.m. to 4:00 p.m. at the Old Orchard Inn, Greenwich.

Every small business in Nova Scotia has the potential to sell their products or service to the government, including institutions like schools and hospitals. Come and find out about sales opportunities for your business.

For more information, please contact Colby Clarke, Development Officer by phone at 678-2298 or via e-mail at cclarke@kingsrda.ca.
