Kings Community Economic Developments

Assistant Development Officer Position

The Kings CED Agency is hiring an Assistant Development Officer under the Youth Internship Program; a partnership with the NS Association of Community Business Development Corporations, Atlantic Canada Opportunities Agency and Nova Scotia Economic and Rural Development. This program gives young people the opportunity to use their skills and acquire new ones in supporting Canada's economic growth through community economic development. The Assistant Development Officer will be required to assist all Development Officers in all areas as required: i.e. research, project development, committee work, preparing and organizing events and meetings, minute taking and other duties as assigned.

The candidate must be between the ages of 18-34 who have graduated from college or university in the field of business or other related disciplines within the last three years and have no previous participation in a work experience program. The candidate must also be currently unemployed, underemployed or employed in an area unrelated to their field of study.

This is a one year term position (35 hours per week). The deadline to apply for this position is by 4:00 p.m. on May 29, 2009.

For a more detailed job description, please visit the Kings CED Agency's website at www.kingsced.ns.ca (Employment Opportunities section).

Building for Growth Information Sessions

The Nova Scotia Department of Labour and Workforce Development is hosting five regional information sessions to provide information on services and programming. The sessions will provide information on services and programming to help individuals and organizations that choose to take advantage of training and retraining, networking opportunities, career development and job search information and resources in your region. Job seekers, employers and anyone in or anticipating career transition should attend the information sessions. It is an ideal chance to learn more about what career resources and training opportunities are available in your region/community and how to access them.

The events will follow a trade show format with booths hosted by government, industry and community partners and stakeholders. There will also be a schedule of workshops that people can attend.
