Business Directory Questionnaire Winner

Staff of the Kings Regional Development Agency recently contacted businesses listed in its on-line business directory launched in February 2007 to confirm and/or update the existing information. In addition, business owners were given the opportunity to answer a 15 minute questionnaire. Information from the questionnaires will be compiled to assist in the improvement of the Business Environment, including Business Retention and Customer Service in Kings County. Participants were entered in a draw to win a gift package. Winner of the gift package was Cleve's Source For Sports store located in New Minas. Congratulations! We would like to extend a special thank you to all business owners that participated.
